

OSU Field Application Information 01/23/20

Topics for consideration

OSU Field Inspections

- Each OSU field application must point to one variety in the field.
- Grower License No. and Seed License No. are required on field applications.
- OSU Field application fee is \$400. Payment can be CC or check.

For example;

- Meridian 42,000 sq. feet
 - Four 10K sq. ft growing area available to be sequentially planted
 - An OSU field application is required for each variety grown in each growing area
 - If 4 varieties are grown in a 10k sq. ft growing area - 4 separate field applications are required. OSU Field application cost rises to \$1,600 (4 – 10k sq ft growing areas could be 16+ field applications)
 - If 1 variety is grown in each 10k sq. ft growing area – 1 field application would be required.

Note: Given one pollen donor multiple varieties can be grown in same growing area.
